

This year it's a different flu season!

Temporary Flu Assessment Centres ARE CLOSING

Peel's temporary flu assessment centres will be closed as of Thursday, Nov. 19, 2009.

These centres were opened to relieve pressure on the health-care system.

These temporary centres are no longer needed.

**Think you are sick with the flu?
You've got several options for your care.**

- Call **Telehealth** at **1-866-797-0000**,
- Visit your doctor's office, or
- Visit a walk-in clinic.

HBI-0020 09/11

Call 911 or go to your nearest emergency department, if you have extreme shortness of breath, chest pain, prolonged fever, continuous vomiting or severe diarrhea.

For more information, call Peel Public Health at **905-799-7700** or visit www.peelregion.ca. Caledon residents call toll free at **905-584-2216**.
