

# Good Neighbours

On August 30 Osler held a “Meet the Neighbours” event at BCH. Businesses around the site of the new hospital as well as those living closest to the facility got a sneak preview of the Emergency and select areas in the Women’s and Children’s Departments.

Many guests had watched the hospital grow from the time the first shovel went into the ground and were eager to see the final product first hand.

Among those in attendance were clients of the Tall Pines Long-Term Care facility. “It’s great to finally see the inside of this building,” said one elderly gentleman. “It’s bright and beautiful... and we are happy to have it so close!”

## AMAZING RACE BCH! READY...SET...RACE!!!

What a race it was! With their eyes on the main prize, 24 teams of staff, physicians and volunteers sprinted through Brampton Civic Hospital. Osler’s staff has never moved so fast!

The Amazing Race was organized by a group of committed employee volunteers led by co-chairs Lorraine Leslie, Joanne Houston and Pamela Gill and assisted by Communications staff Leigh Barnett and Grace Sabilano.

Amazing Race BCH was a great opportunity for staff to familiarize themselves with the new hospital. For some participants it was their first time coming to the building!

Teams had to solve clues to identify departments, locate them on maps provided, and race through BCH to find them! For added excitement, each “pit stop” had a fun task to complete before moving on to the next clue – all at top speed! With the help of our Osler Celebrity Judges, teams whisked through the “pit stops” to be greeted by President and CEO Bob Richards at the finish line.

Team X from Diagnostic Imaging was the winning team, finishing the race in 32 minutes! Ultrasound’s Hawaii 4-0, also from Diagnostic Imaging, won Best Costume with their grass skirts and shell-bras. There was a tie for Most Pledges Raised between The Drug Lords from Pharmacy and the Lab Mice. The prize for Most Confused went to Gas Busters and no one could forget Lab in Black as they won for Most Dysfunctional!

Amazing Race BCH was truly a unique event. Thanks to everyone’s dedication and hard work, over \$5,500 was raised for the Foundation’s capital campaign! Congratulations to all!

Making the presentation of a cheque for \$5500 are (l-r) Pam Gill, Joanne Houston and Nicole Hand. (absent) Lorraine Leslie
